Dear Joe,

In just one little moment, you have made big magic possible. All over our region, there are young people who are hoping they will have a big brother or big sister soon. Thank you for your gift which will help ensure that every child in Western North Carolina who needs and wants a mentor can have one.

Your gift of \$200.00 will be put to work immediately to recruit and support dedicated volunteer mentors who can be both a role model and guide to children determined to escape poverty. For over 25 years, Big Brothers Big Sisters of WNC has been a consistent presence in the lives of our communities' children.

With your help, we will reach more of the young people who need caring, adult mentors the most. The current economic climate threatens to plunge a whole generation of children into poverty. Big Brothers Big Sisters, through the generous support of people like you, will work diligently to make sure these children have hope for the future.

Thank you for taking a moment to create that magic.

Sincerely,

Robin Myer  
Executive Director
